Dear Mr Thomas

~ John

As Patron, I write to congratulate Buni-Inwunbuluk on recently being recognised as the winner of *Best Outstation* in the recent 2021 Territory Sustainable Community Tidy Towns Awards.

How wonderful that your commitment to a sustainable and healthy community has been recognised in such a spectacular way. Your altruism and dedication is inspiring and highly commendable.

It is important that we as Australians can come together to celebrate our achievements as a whole, and also acknowledge those individuals, like yourself who tirelessly work to make our communities better places. Congratulations and well done!

I wish you the very best in your future endeavours.

Yours sincerely

Vicki
