Dear Araru Point Community

Congratulations – 2020 Territory Tidy Towns Sustainable Community Awards

Congratulations on your recent win in the Territory Tidy Towns Sustainable Community Awards 2020. To receive the Best Outstation Award is an achievement and one for which your community should be rightly proud.

The importance of encouraging a more sustainable community cannot be overstated in a place like the Northern Territory. The awards celebrate the remarkable work and achievements of the Territory's Tidy Towns champions.

It is of the utmost importance to the Opposition that we continue to hear case stories from individual organisations on how innovation is being rolled out and how the Government can support the community.

Yours sincerely

Lia Finocchiaro MLA
